

Value of an Individual Executive Accent Reduction Training Program

In addition to the excellent features provided to all of our corporate clients, you receive:

- More in-class practice time
- A confidential environment
- Opportunity to openly make mistakes without embarrassment or self-consciousness
- Flexible scheduling to accommodate your work commitments
- Accelerated results due to focused, individualized attention
- Ability to determine program pacing and material covered
- Adaptability regarding the sequence of training items and utilization of course materials
- Ability to integrate and incorporate work-related presentations and role-playing scenarios into training
- Unlimited telephone access to your trainer throughout the duration of the program for questions, consultations, etc.
